Contact Toni at (405) 842-2444 or 800-326-4029 to schedule your free wedding consultation with one of our many talented designers.

We know that your time is valuable, so we have created a short checklist of items for you to review. Please bring as many of the following items as possible to your consultation. We understand that not all of the items will pertain to your special day.

Color swatches of the bride's dress and the attendant's dresses

Pictures of the bride's dress and attendant's dresses

Pictures of bouquets, corsages, boutonnieres

Other questions we may need to know. Are you having:

aisle/pew flowers? How many aisles/pews are there?

an aisle cloth? How long is the aisle and it is carpet or tile?

real petals down the aisle? Does the ceremony location allow real petals?

candles? Does your ceremony location and/or reception location allow real candles? Can they be open flamed or do they need to be under glass?

real candles on the alter table of the church? Do these candles need to be under glass or does protective plastic need to be laid down before candles are lit?
